

Comment Ticket: CR 303 807 109

9:00 - 11:00 AM

Part

Line Item

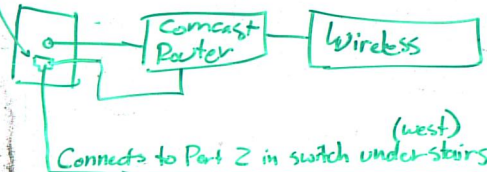

* Before the wireless was configured as a "switch" we utilized to connections from the TV area to the basement.

1. take original connection to servers

2. Bring connection back up for wireless

A this point we only have 1. The line to the Mth Dec x-mas room should not be plugged in.
